As 2021 comes to a close, we begin to reflect upon the past and look forward to the future. In fact, this is a natural part of the Christmas holiday - looking back at the first arrival of Christ as a baby in a manger while looking forward to his second coming as the rightful king.

In December, we have a few Christmas events centered around celebrating and serving together before we take a break for a few weeks. I pray our students enjoy our events, but also enjoy safe travels and time with their families.

Look over this newsletter for info about events, lessons, and schedule changes in the month of December. Follow us on Facebook, Instagram, Twitter, & TikTok @firstmelissastudents
