Often, shortly after the start of the New Year and the spring semester, there can be a bit of a lull. Routine begins to set in, activeness begins to slow, and we get complacent in "the same old same old". BUT NOT US!

February is packed to the brim with exciting activities and opportunities for students to grow in faith, community, and wisdom. Check out those opportunities on page two and consider registering your student(s) for them!

As always, please feel free to contact me with any questions, concerns, or request, and I promise to lend my ear. To stay up to date - up to the exact minute - don't forget to follow us on social media @[firstmelissastudents](https://www.instagram.com/firstmelissastudents) !
