## A WORD FROM THE STUDENT MINISTER

School is just around the corner. We know this time of year can be a time of sadness and boredom for most students. To combat those back-to-school blues, we are planning a packed lineup of activities for the month of August to keep spirits up and help students roll into the new school year with as much momentum as possible.

And that's just for the month of August! We have some BIG things coming on the horizon for the 2022-2023 school year and even for Summer 2023. To give you a peak behind the curtain - we will be implementing more opportunities for students to invite others into our family, grow deeper in discipleship, and engage in Christian service with those in needs. To say I am excited would be a MASSIVE UNDERSTATEMENT.

As always, I hope this resource encourages you, blesses you, and keeps you connected with our ministry. Have a question or concern? I'd love to help you!
